An Overview

Azeezia College of Nursing is a modern nursing education institution located at Erattakulam, Alathur, in Palakkad District, Kerala, within the picturesque campus of Azeezia Health City and conveniently accessible from National Highway 544. Established with a vision to nurture competent, compassionate, and professionally skilled nursing professionals, the College is designed in accordance with the norms and standards prescribed by the Kerala University of Health Sciences (KUHS), the Indian Nursing Council (INC), and the Kerala Nurses and Midwives Council.

The College is situated in a serene and eco-friendly environment, surrounded by lush paddy fields and gentle hills, providing an ideal atmosphere for academic learning and personal development. The naturally elevated terrain, approximately 30 metres above the level of NH 544, ensures excellent ventilation, fresh air, and a peaceful setting conducive to education and training.

Spread over approximately 4,180 square metres (45,000 square feet) of built-up area, Azeezia College of Nursing is equipped with modern academic and training facilities. The institution features spacious, fully air-conditioned classrooms, well-equipped nursing laboratories, advanced simulation and skill laboratories, computer laboratories with internet connectivity, a well-stocked library with digital learning resources, seminar halls, meeting rooms, and an auditorium for academic and extracurricular activities. All facilities have been developed to provide students with a comprehensive and technology-enabled learning experience.

Azeezia Hospital, Alathur

Azeezia Hospital is a state-of-the-art multi-specialty healthcare institution located at Erattakulam, Alathur, in Palakkad District, Kerala. The College benefits from its association with Azeezia Hospital, a multi-specialty healthcare institution offering a comprehensive range of specialty and super-specialty services. This affiliation provides nursing students with invaluable opportunities for clinical exposure, hands-on training, and experiential learning under the guidance of highly qualified doctors, nurses, and other healthcare professionals.

Azeezia Hospital is equipped with modern medical technology and advanced healthcare infrastructure, enabling students to gain extensive clinical experience across diverse disciplines of nursing and patient care. The hospital caters to a large and varied patient population, thereby facilitating the development of clinical competence, professional skills, and evidence-based nursing practices.

The hospital offers the following key facilities and services:

- 24-hour Emergency and Trauma Care Services
- Advanced Critical Care Units, including ICU, NICU, PICU, and HDU
- State-of-the-art Laboratory, Imaging and Diagnostic Services, Blood Centre, and Dialysis Unit
- 24-hour Pharmacy Services
- Expert medical care provided by highly qualified doctors and dedicated healthcare professionals
- Comprehensive specialty departments, including General Medicine, General Surgery, Orthopaedics, Cardiology, Gynaecology, Paediatrics, Nephrology, Gastroenterology, Neurology, Dental Sciences, and other super-specialty services.

The hospital's advanced facilities and multidisciplinary healthcare environment ensure that students receive comprehensive clinical training and are well prepared to meet the professional challenges of modern nursing practice.

MESSAGE

"Greetings from Azeezia College of Nursing.

In today's rapidly evolving healthcare environment, driven by cultural diversity and technological advancement, nurses face both exciting opportunities and profound responsibilities. As the heartbeat of the multidisciplinary healthcare team, nurses must continuously embrace innovation to deliver high-quality, life-saving patient care.

Azeezia College of Nursing was founded with a singular vision: to prepare highly competent and deeply compassionate nursing professionals. We provide a learner-centric ecosystem fueled by experienced faculty, modern infrastructure, and extensive clinical exposure at our parent hospital.

Nursing is more than a career; it is a noble calling dedicated to humanity. Our goal is to nurture you into a skilled healthcare leader equipped with strong moral values and a lifelong thirst for learning.

I warmly invite you to join the Azeezia family. Embark on a transformational journey toward excellence in nursing education and compassionate service."

Prof. Marial L.
Principal, Azeezia College of Nursing
12 June 2026

PHILOSOPHY

We believe Nursing education at Azeezia College of Nursing functions within the scope of the policies and philosophy of the Directorate of Health and Family Welfare Services, Kerala. This philosophy directly reflects our Country's view and beliefs regarding the self development of Indian citizens in the context of their socio-cultural background. As a part of the Ministry of Health and Family Welfare Services, Institute adopt this philosophy completely.

The nursing programme at Azeezia College of nursing, upholds the right of every individual to receive safe and quality health care. As such, the programme endeavors to produce graduates who are competent in all aspects of health care and who will able to function efficiently and effectively as a member of a health care team both in community and hospitals.

AIMS

The overall aim of the course is to:

However the candidate shall complete 100% attendance in practical before the award of degree.

COLLEGE FACILITIES

The facilities available at Azeezia College of Nursing are described below:

Facilities at Azeezia College of Nursing

Azeezia College of Nursing provides modern infrastructure and academic facilities in accordance with the norms and standards prescribed by the Indian Nursing Council (INC), the Kerala Nurses and Midwives Council, and the Kerala University of Health Sciences (KUHS). The College is designed to provide a conducive environment for learning, professional development, and holistic growth of students.

Academic Infrastructure

The College has spacious, fully air-conditioned classrooms equipped with modern teaching aids to facilitate effective learning. The academic block includes well-designed offices for the Principal and Vice Principal, Heads of Departments' rooms, faculty rooms, administrative offices, meeting halls, seminar halls, and an auditorium for academic and extracurricular activities.

Nursing Laboratories

To support practical learning and skill development, the College has fully equipped and furnished laboratories, including Nursing Foundation Laboratory, Community Health Nursing Laboratory, Nutrition Laboratory, Maternal and Child Health Nursing Laboratory, Pre-Clinical Science Laboratory, Computer Laboratory, and advanced Nursing Skills and Simulation Laboratories. These laboratories provide hands-on training in a controlled environment before clinical exposure.

Library and Learning Resources

The College houses a spacious and well-furnished library with a collection of adequate number of books covering various disciplines of nursing and allied health sciences. New editions and reference books are added regularly to keep pace with advancements in healthcare and nursing education. The library also provides access to journals, periodicals, and digital learning resources. Separate internet facilities are available for students and faculty members to support academic and research activities.

Computer and Information Technology Facilities

A modern computer laboratory with internet connectivity is available for students and faculty. The facility supports e-learning, online research, academic assignments, presentations, and access to digital educational resources.

Clinical Training Facilities

Being situated within the Azeezia Health City campus and attached to Azeezia Hospital, a multi-specialty healthcare institution, the College provides extensive opportunities for clinical training and practical exposure. Students gain hands-on experience in various specialties and super-specialties under the supervision of experienced nursing and medical professionals.

Student Support Facilities

A stationery store functioning within the campus caters to the immediate academic needs of students at nominal cost and remains open on all working days. A cafeteria located within the campus provides hygienic food, refreshments, and snacks, offering a comfortable space for students during breaks.

Campus Environment

The College is situated in a serene and Eco-friendly campus surrounded by paddy fields and small hills, providing a peaceful atmosphere conducive to learning. The naturally elevated location ensures excellent ventilation, abundant natural light, and a healthy environment for students and staff.

Additional Facilities

The College also provides:

- Fully air-conditioned academic facilities.
- Auditorium and seminar halls for conferences, workshops, and cultural programmes.
- Meeting halls for academic and administrative activities.
- Administrative and student support services.
- Adequate sanitation and utility facilities as per statutory norms.
- Wi-Fi and internet-enabled learning environment.
- Safe and secure campus with ample open spaces for recreation and student activities.

With its modern infrastructure, advanced laboratories, comprehensive library resources, technology-enabled learning environment, and strong clinical training support, Azeezia College of Nursing offers students an excellent platform to develop into competent, compassionate, and professionally skilled nursing practitioners.

SPECIAL INSTRUCTIONS

Student Conduct and Discipline

1. Anti-Ragging Policy:

Ragging in any form is strictly prohibited within the College campus, hostel premises, and all institutions or locations associated with the College. The College is committed to maintaining a safe, respectful, and ragging-free environment for all students. Any student found to have engaged in, abetted, or participated in ragging shall be liable for disciplinary and penal action in accordance with the applicable laws, regulations, and guidelines issued by the competent authorities. Such action may include suspension, expulsion, or any other penalties prescribed under law, including those mandated by the directions of the Hon'ble Supreme Court of India and relevant regulatory bodies.

2. Use of Mobile Phones:

The use of mobile phones by students during academic sessions, clinical postings, practical training, examinations, and other instructional activities is restricted except with the prior

permission of the concerned faculty or authority. Any violation of this policy shall attract appropriate disciplinary action as determined by the College authorities.

3. Substance Abuse Policy

The College recognizes that substance abuse can adversely affect a student's health, academic performance, professional conduct, and the overall educational environment. Accordingly, the College maintains a strict policy prohibiting the purchase, possession, use, consumption, sale, distribution, storage, or being under the influence of tobacco products, alcohol, narcotic drugs, psychotropic substances, or any other prohibited or controlled substances within the College campus, hostels, clinical training centres, student events, conferences, and all activities organized or sponsored by the College.

Any violation of this policy shall be dealt with seriously and may result in disciplinary action, including suspension or dismissal from the institution, in accordance with applicable rules and regulations. Where there is reasonable suspicion of substance abuse, the College reserves the right to require a student to undergo appropriate screening, testing, or medical evaluation during the period of study, subject to applicable laws and institutional policies.

4. Uniform

The College has prescribed a designated uniform for all students, and wearing the prescribed uniform is compulsory. Students shall be permitted to attend classes, practical sessions, clinical postings, and other academic activities only in the prescribed uniform. Students shall report to the College neatly and appropriately dressed in accordance with the College dress code and shall wear the prescribed uniform along with their identity card at all times while on the College campus. During clinical postings and hospital training, the prescribed overcoat/lab coat shall also be worn as required.

5. Parent-Teacher Association (PTA)

The College has an active Parent-Teacher Association (PTA) to promote cooperation between parents, students, and the institution in matters relating to student welfare and development. Non-academic activities and initiatives requiring PTA involvement shall be undertaken in consultation with and, where applicable, with the approval of the PTA. Members of the PTA and its Executive Committee are expected to attend the General Body Meetings and Executive Committee Meetings, respectively, and actively participate in the functioning of the Association.

6. Security

The institution maintains a comprehensive security system and is under CCTV surveillance. All common areas of the institution are covered by CCTV cameras, except toilets and other designated private areas, in accordance with the College CCTV Policy and applicable privacy requirements. Students leaving the campus during working hours or at any other restricted time shall obtain prior permission from the College authorities and secure a gate pass. The gate pass shall be produced before the security personnel at the main gate whenever required.

7. Applicability and Interpretation

The policies and provisions contained in this Prospectus shall be applicable to both existing students and newly admitted students. Any matter not specifically covered or provided for in this Prospectus shall be decided by the Controller of Admissions, whose decision shall be final and binding, subject to the applicable laws, regulations, and directions of the competent authorities.
